In relation to criterion 2 above, NPCs are permitted to provisionally select athletes with a Sport Class Status of (i) New; (ii) Review; and (iii) Review with a Fixed Review Date of 2027 or earlier, subject to such athletes attending an Evaluation Session prior to or during the Championships (including any required in-competition Observation Assessment).

5. Entry Forms

All Online Entry Forms (Entry by Number and Entry by Name) must be submitted through the IPC Online Entry System https://db.ipc-services.org/sdms/app/login.

6. Maximum Entry per NPC

An NPC may enter a maximum of three (3) eligible athletes per Medal Event.

NPCs may enter a maximum of one (1) team in the Universal Relay event.

NPCs may enter an eligible athlete in an unlimited number of Medal Events as long as the athlete has achieved an MES performance in each respective Medal Event.

If two or more Medal Events are combined following the final Entry by Name deadline and event viability review (e.g., Shot Put F53/54/55), an NPC may only enter a maximum of five (5) eligible athletes in this combined Medal Event, with a maximum of three (3) eligible athletes per Sport Class.

7. Event Viability Criteria

A minimum of five (5) athletes from three (3) NPCs is necessary to sustain a Medal Event on the Championships programme. A minimum of five (5) entries from five (5) NPCs is necessary to sustain the Universal Relay Medal Event on the Championships programme.

WPA shall review the event viability following the close of the final Entry by Name deadline. If a Medal Event does not meet the above event viability criteria by the final Entry by Name deadline, WPA reserves the right to combine such a Medal Event with another Medal Event(s) in accordance with Appendix 2 of the World Para Athletics Rules and Regulations.

WPA also reserves the right to either cancel such Medal Events or run them as non-medal events.

In the case where entry numbers of an event fall below the aforementioned event viability criteria due to withdrawals after 20 May 2027, WPA reserves the right to still run the event as a Medal Event and the medals will be allocated under the principle of 'minus one'. This means that an event remains valid for medal distribution as long as there are at least one fewer than the minimum required eligible athletes for a full competition. Where the number of entries is below the minimum required for a full competition, medals are awarded as follows: four entries only gold and silver; three entries only gold. If the number of eligible

athletes drops below this threshold, the event may still be held, as a non-medal event, with no medals awarded.

8. Direct Invitation

WPA reserves the right to directly invite a limited number of eligible athletes under the following criteria:

- To enable the greater representation by nation;
- To ensure events featured on the programme have sufficient representation for viability;
- To enable greater representation by gender;
- To ensure the representation of athletes with High Support Needs;

NPCs must submit a formal request for a Direct Invitation slot to WPA via SDMS by 17 May 2027. All Direct Invitation slots are at the sole discretion of WPA. For the avoidance of doubt, the above criteria are not exhaustive and WPA has no obligation to award any Direct Invitation slots, whether or not NPCs / athletes meet the Direct Invitation criteria set out in this section.

9. Qualification Rounds

9.1. Seated Throw Events

Should a seated throw event exceed ten (10) entries at the close of final Entry by Name deadline, a qualification round may be held to allow the competition to be conducted in a single round (final). The top 6 athletes from the qualification round shall proceed to the first round.
